**WHY NOW?**

## Why We Are Returning

Educational programs are inherently designed for social and moral development

School closure has disproportionately hurt our MCPFamily&U

The pandemic has widen the achievement gap

1. We want to eliminate the achievement gap.
2. Families need to return to work.
3. Scholars miss you.
4. Isolation leads to additional trauma.
5. We 100% engagement.

# The Framework

## Who, What, When, Where.....

### Educators & Staff

- Full Time Reported to the building  
(MTRF)

**Tuesday, January 19, 2021**

*Time is designed as a reopening PD lab and an intensive on hybrid education.*

### Scholars

- Full Time Reporting to the building  
(MTRF)

**Monday, February 1, 2021**

# The Goal

## Guiding Principles for Reopening MCP

- Ensure the **safety** and **wellness** of scholars and staff.
- Deliver **high-quality, college preparatory instruction** to scholars, regardless of the delivery model.
- Provide MCPFamily&U with the **flexibility, choice** and **resources** to make the best educational decision for their scholar(s).

# Safety First Philosophy

**1. Transportation**

**2. Cleaning Stations**

# Safety First Philosophy

**3. Controlled Movement**

**4. Social Distancing**

**5. Lunch Modifications**

## **Safety First Philosophy**

Scholars and staff will return to campuses with increased health and safety measures in order to combat the effects of COVID-19. MCP has received input from all stakeholders and engaged in meaningful conversations with health authorities to create a reopening plan with safety and health at the forefront.

### **Face Coverings**

Face coverings will be required based upon best available data and input from local health authorities. Social distancing is not always possible in school settings, therefore, scholars and staff will be provided with reusable masks and expected to wear them while on campus where social distancing is not possible and when exemptions do not apply.

# Safety First Philosophy

## **Social Distancing**

Scholars will practice social distancing from arrival on campus through departure. Scholars will load on school buses from back to front, increasing social distancing and limiting exposure to others. Grab-and-go breakfasts will be available, and where possible eaten in classrooms in order to deter students from congregating in the MPR. Staggered release schedules may be utilized in an effort to decrease crowding.

## **Additional Hand Sanitation Stations**

Each classroom will be outfitted with additional sanitation stations with a variety of supplies to encourage proper cleaning practices. Each station will include gloves and disinfectant wipes for spot cleaning, along with hand sanitizer. Scholars and staff will work together to ensure everyone is contributing to a healthy environment by wiping surfaces after classroom instruction is complete.
